

Revegetation Contractors Pty Ltd is an Environmental Contracting company with branches in Cairns and Townsville. We implement high quality erosion control, revegetation and stabilisation works - providing practical solutions to environmental problems for over 25 years. We are currently seeking a highly motivated **Irrigation Installer** to join our Townsville team.

The successful person will report to the Irrigation Manager and will assist with the installation of a range of temporary and permanent irrigation systems on varying sized projects in and around Townsville.

The successful applicant will have:

- An Open car licence;
- Blue Card;
- Extensive knowledge / understanding of different irrigations systems;
- Ability to read and interpret irrigation plans;
- Ability to install temporary and permanent systems;
- Ability and confidence to organise and supervise labour teams;
- Ability to motivate & train staff - passing on skills and knowledge;

Applicants will have a minimum of 2 years hands-on proven experience in implementing commercial irrigation systems. Candidates will also possess the necessary skills to carry out associated administration tasks.

Remuneration will be negotiated in line with demonstrated experience. The position is initially casual, with a minimum of 40 hrs / wk. Successful applicants would be required to start **immediately**.

Please forward the following information by email or post:

1. Cover letter;
2. Resume in word format – including a minimum of 2 contactable referees; and
3. Copies of any relevant licences / tickets

**Email:** [accounts@reveg.com.au](mailto:accounts@reveg.com.au), marked “Irrigation Application”

**Post to:** POSITIONS VACANT,  
PO BOX 814,  
THURINGOWA CENTRAL, QLD 4817
