

Revegetation Contractors Pty Ltd is an environmental contracting company based in Cairns and Townsville. The company implements high quality erosion control, revegetation and stabilisation works - providing practical solutions to environmental problems for over 25 years.

We are currently seeking hard-working **Nursery staff** to join our team in **Townsville** on a temporary & casual basis to work in our wholesale dry tropics native nursery.

First preference will be given to the applicant that has qualifications or experience in Nursery operations, however all interested and hard working persons should apply.

Applications should possess the following:

- A minimum of 12 months experience working in a commercial nursery;
- High production / potting rates; and
- Good knowledge of North Queensland plants;

Duties would include:

- Seed sowing;
- Potting-up / cuttings;
- Weeding;
- Fertilising etc

Successful applicants will be required to obtain a Construction Blue Card in their own time if not already in possession of one.

Successful applicants will be paid a casual rate with expectant weekly hours between 15 and 20, Monday - Friday. (The aim of the position is for the candidate to do 3-5 hours of pure production activities per day; therefore working times will be flexible).

Please forward the following information by email **or** post:

1. Cover letter;
2. Resume in word format, including a minimum of two contactable references.

Email: accounts@reveg.com.au, marked 'Nursery hand Application'; or

Post to: POSITIONS VACANT,
PO BOX 814,
THURINGOWA CENTRAL, QLD 4817
